Dear Mr. Fournier:

On behalf of Governor Taft, I would like to thank you for your participation in the broadband meeting at ProMedica Hospital on Wednesday, August 21, to discuss internet issues in the Toledo region.

As the Third Frontier Project moves forward, it is important the State focuses on the capabilities and ease of communicating and sharing information through the use of the internet. Your input was very helpful.

Thanks again for your participation. Please feel free to contact Bruce Johnson, Rod Chu or me if you have further comments.

Sincerely,
